SECOND PETITION TO CORRECT INVENTORSHIP

Assistant Commissioner for Patents

BOX AF

Washington, DC 20231

Sir:

On May 27, 1999 Applicants submitted a Petition to Correct Inventorship. The petition was denied in a communication dated June 15, 1999 for the reason that the petition was not accompanied by an oath or declaration by the actual inventors (37 CFR §1.48(a)(2)). Applicants herewith submit this Second Petition to Correct Inventorship, together with a Declaration for Patent Application signed by the inventors, and hereby petition as follows:

Pursuant to 37 C.F.R. § 1.48(a), Applicants request that an additional inventor, Li-Ching Lo, be named in the above-referenced patent application. The error in inventorship occurred without deceptive intention on her part. The application was filed naming only inventor David J. Anderson.
